Vol. 2

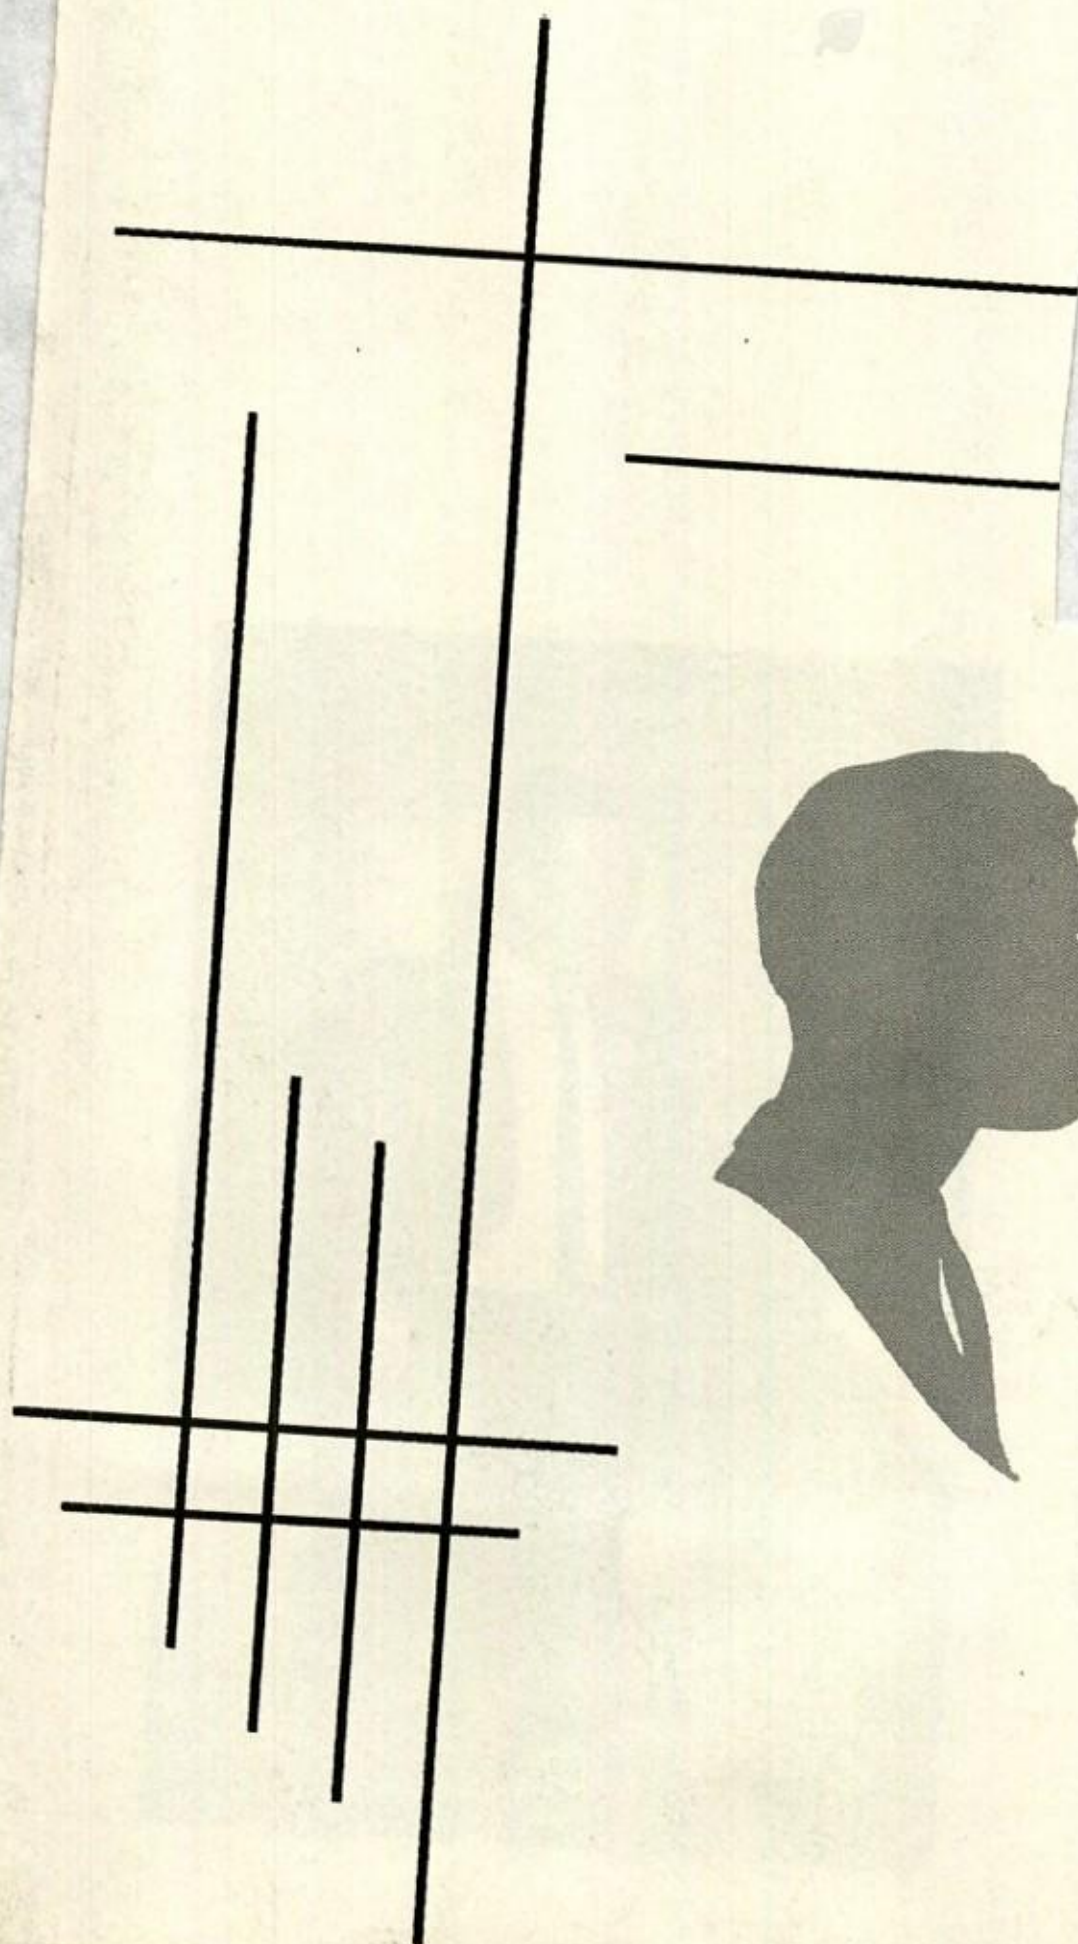

Dedication

We, the Editors of the 1966 Viking, as representatives of the Senior Class of 1966, dedicate this yearbook to Mr. Donald Robb for his outstanding achievements in promoting the Music Department of Parkview High School. He has given unselfishly of his time and efforts for the benefit of the school and the community.

To you, Mr. Robb, go our special thanks and appreciation for your valuable contributions and fine example you have given us.

ADMINISTRAT

Superintendent

Delbert L. McGinnis

Congratulations to the graduating Seniors of the class of 1966. We have enjoyed having you in high school and hope that your high school experience will benefit you in the future. I leave you with this thought...

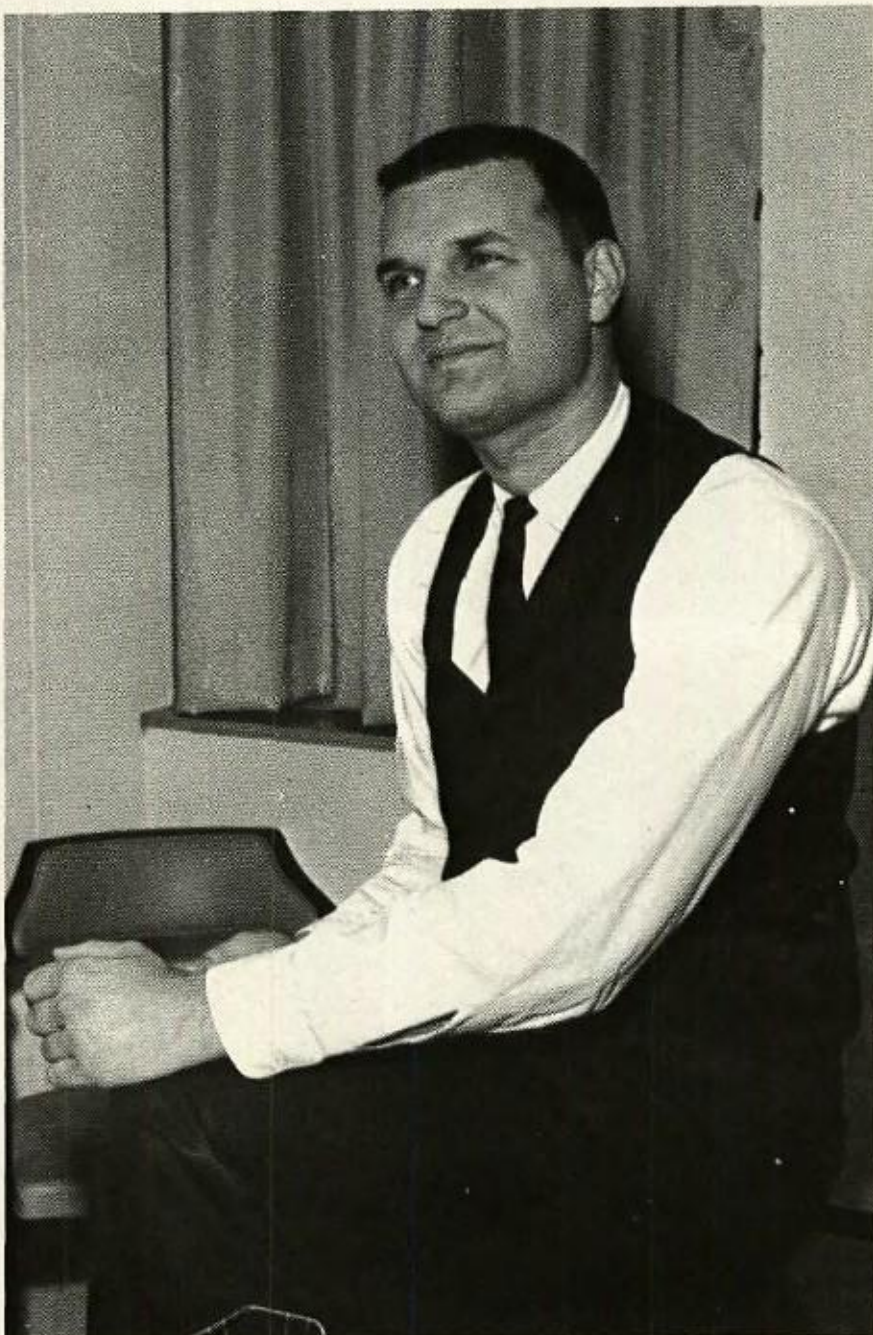

"You have each been given
a bag of tools,
A formless rock and a book
of rules;
And each must make, ere
life has flown,
A stumbling block or a
stepping stone."

I hope that your high school education will help each and every one of you make a good strong stepping stone.

Principal

Hugh C. Porter

It is with mixed emotions that I bid you farewell upon your graduation from Parkview High School.

It has been three years now that we have been in close association both in the classroom as teacher-pupil and the school as principal-student. In these three brief years I have come to know each and everyone of you personally and have watched your educational - social development and accomplishments with great pride.

It is with sadness that I shall watch you depart from these halls and out of our daily lives which were greatly enriched by your presence. It is, however, with great joy that I bid you adieu as it is with the knowledge that we are sending the flower of America's youth out into our adult society and that you, the members of the class of 1966, will be a worthy and vital addition to this great country of ours.

May you meet with success in your every endeavor you undertake and enjoy the fruits of a full and joyous life.

Guidance Counselor Len Demert

In this era of automation we many times forget the basic needs of our students. We want to feed data into machines and computers to produce ready-made solutions for all their problems. The process of growing up, facing the many difficulties of their approaching adulthood can be an awesome and fearful time. This is the time when the services of the guidance counselor can best be utilized.

The objective of the guidance program is not to give advice and answers to problems but provide an outlet by which the students can arrive at an understanding through their own reasoning. A realization of their potential, vocational and educational planning, and testing are all a part of the total guidance picture.

Student Council

This year the Student Council sponsored our A.F.S. student, Solomon Wolde-Semayat. As fund-raising projects, movies were shown on Saturdays for the children of the community and a dance was held for the high school students.

A helpful addition this year was the installation of the Student Council suggestion box in the office.

Candy sales were held during February and March to add to our A.F.S. fund.

Co-Editors

The 1966 Viking Staff was composed of 14 students. Mrs. Marilyn Bock was our advisor.

We have tried to improve the Viking by having more action shots and less group settings. We feel that in years to come, these pictures will be of much more value to you than would be a group picture.

Another innovation to the Viking is our "Senior Specials". They were voted upon by the Senior Class in the fall. The four categories are: 1. Best Dancer, 2. Class Wits, 3. Best Dressed, 4. Most Desirable Personalities.

Solomon WoldeSemayat

This year, for the first time, Parkview High School, the Welch family, and certainly the entire community have enjoyed the presence of Solomon WoldeSemayat.

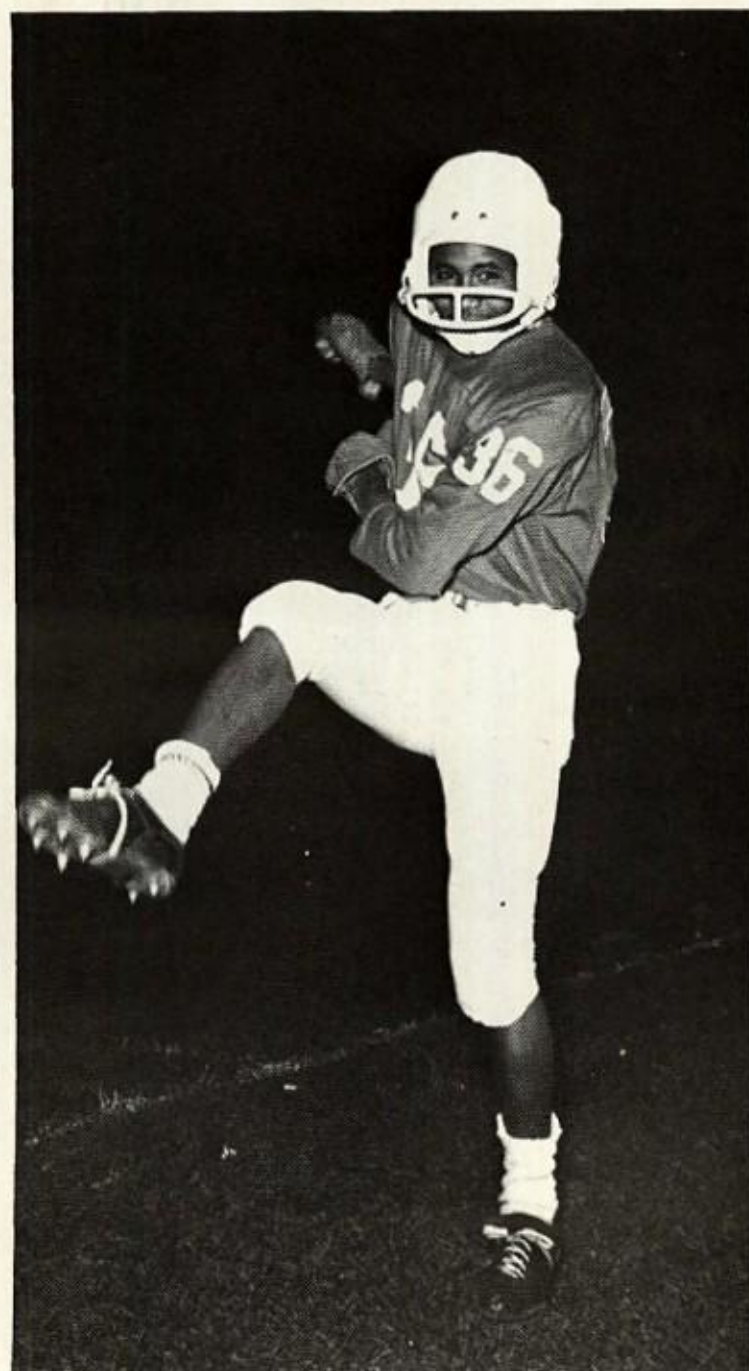

Solomon was born in Lange, Ethiopia on the continent of Africa. Before his journey here, he lived in Dire Dawa, about forty miles from Lange. He has three brothers and three sisters ranging in age from thirty-two to seventeen.

Solomon's elementary schooling was shortened because he skipped the 5th and 6th grades.

Solomon was impressed most by our superhighways. He found the American people to be generally very friendly.

Being a member of the Lettermen's club and on the football and wrestling squads, his athletic achievements were great.

Everyone agrees that Solomon WoldeSemayat has been a great friend and fine addition to the enrollment at Parkview.

Parkview Pen

The Pen Staff, under the direction of Mr. Esser, made a change in the printing methods of the school newspaper. Instead of typing the newspaper in the school, it is being printed by the ORFORDVILLE JOURNAL.

The co-editors, Joyce Schmerse and Gerry Norman, have developed a new system of reporting which makes it possible to have a higher degree of efficiency in processing the work.

Next year the staff will be composed of the secretaries of all the clubs and the classes.

The Parkview band elected the following officers for the year: Roger Noss, Pres.; Karen Engen, V. Pres.; Sue Coon, Sec.; and Karen Demrow, Treas. The band performed at the home football and basketball games. They gave various concerts including exchange concerts with Brodhead High School. Parkview was well represented at the solo-ensemble festival which was held at Belleville. A band and chorus picnic climaxed the year.

The main purpose of Badger Boys and Girls State is to enlighten and train students as future citizens of our country. Badger State is set up in every possible way, parallel to the government of Wisconsin. The students run their state of Badger for one week on the local, county, and state level to help them understand how the government functions.

All-School Play

This year, for the first time in its history, Parkivew High School presented a musical production: BUBBLE TROUBLE. The play, a musical comedy, proved to be a great success. The cast was comprised of students from the freshmen class to the senior class. Musical background for the play was provided by the dance band, chorus, Girls Glee Club, and members of the cast.

The performance was given on February 23 for the Orfordville Junior High, February 24 for the high school student body, and February 25 for the general public. After the last performance there was a pizza party given for members of the cast and friends.

Our directors for BUBBLE TROUBLE were Mr. Robb (musical director), Mr. Muenchow (dramatics director), and Mrs. Olson (Girls Glee Club and Chorus). Everyone worked very hard to make a success of the play and we hope to stage another one again next year.
